# AN ENTREPRENEUR'S ULTRAPORTABLE – DESIGNED FOR RELIABILITY AND MOBILITY

## THE LENOVO® THINKPAD® EDGE 11 LAPTOP

Driven by an ultra mobile lifestyle, today's small businesses require an affordable laptop that provides performance, durability and reliability, while reflecting their personal style. The ThinkPad Edge 11, the latest addition to the ThinkPad Edge family, is designed for road warriors and keeps their needs in mind.

The ultra-portable ThinkPad Edge 11 offers powerful computing, extended battery life and many connectivity options, helping you stay productive wherever you work. SMBs can spend less time managing their IT and protect their valuable data with the built-in ThinkVantage® Technologies, including a set of self-recovery tools that help you easily recover your system on your own. With the unparalleled user experience and stylish design, the ThinkPad Edge 11 is a laptop that blends your business needs with an enhanced experience – no more compromising style for a full-featured business laptop. The EPEAT® Gold rated ThinkPad Edge 11 is also environmentally friendly and reduces energy costs significantly.

Available at an affordable starting price of USD 449, the ThinkPad® Edge 11 is an ideal mobile companion that helps you run your business with style.

### TOP REASONS TO OWN

- AFFORDABLE MOBILITY
- THIN AND LIGHT – STARTING AT 2.9LBS
- UP TO 6 HOURS OF BATTERY LIFE
- ASSURED RELIABILITY WITH ACTIVE PROTECTION SYSTEM™
- STYLISH DESIGN WITH A CHOICE OF COLORS

### IMPRESSIVE FEATURES

#### High Performance Computing

Engineered exclusively to meet your on-the-go business needs, the ThinkPad Edge 11 comes with a powerful combination of the latest AMD™ Vision Pro processors, DDR3 memory and Lenovo Enhanced Experience for Windows® 7, offering incredible computing power.

#### • Power Computing

The ThinkPad Edge 11 gives you the power required for you to multitask, making you more productive in and out of the office – run any number of applications, transfer data and watch videos even while on the move. With AMD Athlon™ Neo X2 K325, the ThinkPad Edge 11 delivers 120% faster performance than netbooks and stays way ahead of the competition.

#### • Time Saving

Lenovo Enhanced Experience for Windows® 7 is designed to provide *faster boot-up and shut-down times*, allowing you to work smarter and faster.

#### • Business Friendly

The ThinkPad Edge 11 with the new *digital HDMI output* can process and project your presentations with unbelievable speed and clarity.

### LENOVO ENHANCED EXPERIENCE FOR WINDOWS® 7. FAST. SECURE. BUILT FOR BUSINESS.

Discover a better way of doing business with the new Lenovo Enhanced Experience for Windows® 7 on Think-branded PCs. Faster, more durable and greener Think-branded PCs are optimized for Windows® 7 to deliver improved ease of use. It enhances productivity and foolproof security that your business cannot do without.

VISION Pro Technology from AMD helps improve productivity through business applications that look and perform great, helps reduce maintenance headaches and get the most out of your IT budget.

#### Worry-free Mobility

If your business requires you to frequently work away from the office, the ThinkPad Edge 11 is a smarter and lighter companion for your on-the-go computing needs.

- **Productivity on the Go**

802.11n WiFi and WWAN option let you stay connected and work from anywhere.

- **Long Battery Life**

Enjoy worry-free travel – with up to 6 hours of battery life, you gain the peace of mind of staying productive whenever you are away from office.

- **Ultra Portability**

The ultraportable ThinkPad Edge 11, starting at only 2.9lbs, lightens the rigors of your daily commute and helps you travel light.

#### Durability and Reliability

No other laptops come fully-equipped to protect themselves and save your time more than the ThinkPad Edge 11. Designed to help you do more with less, the built-in ThinkVantage® Technologies offer unmatched features, letting you focus more on growing your business.

- **Reliable Data Protection**

Active Protection System™ uses an air-bag like technology and protects your hard disk drive from unintentional drops, thus ensuring constant data security.

- **Fast System Recovery**

The ThinkPad Edge 11 comes with a set of self-recovery tools that ensure minimal downtime – the one-button Rescue and Recovery® application helps you restore your laptop's system settings in case of a system crash, even if your primary operating system does not boot.

#### Environment Friendly

With the ThinkPad Edge 11, now you can enjoy being the proud owner of an environmentally friendly laptop and save money on energy costs.

- **Completely Green**

The ThinkPad Edge 11 conforms to ENERGY STAR® 5.0, EPEAT® Gold and RoHS standards.

- **Energy Efficient**

The built-in Power Manager lets you customize your power settings and reduce your energy costs – enjoy the satisfaction of being able to minimize the total cost of owning a PC.

- **Eco-friendly Packaging**

The ThinkPad Edge 11 uses 100% recycled paperboard, recyclable packaging and non-toxic inks.

#### Enhanced Experience

A blend of sophisticated design and thoughtful innovative features, the ThinkPad Edge 11 mixes all your business needs with enhanced style – while staying within your budget.

- **Stylish Design**

You can now make a confident style statement with the elegant ThinkPad Edge 11. It is available in three shades – Midnight Black - Smooth, Midnight Black - Glossy and Heatwave Red - Glossy.

- **Contemporary Keyboard**

Enjoy a best-in-class typing experience with the all new full-sized ThinkPad keyboard that features an island style keycap design. The spill-resistant keyboard comes with an advanced liquid drainage system that protects your laptop from all minor spills.

- **Ease of Use**

TrackPoint® and the large multi-gesture touchpad navigation options provide you with an easy navigation experience. These options help you use the laptop with ease.

- **Vivid Video Conferencing**

The built-in low light sensitivity webcam provides you with the best video conferencing solution for you to conduct meetings even when you are on the go.

VISION Pro Technology from AMD helps improve productivity through business applications that look and perform great, helps reduce maintenance headaches and get the most out of your IT budget.

## SERVICE OFFERINGS

### THINKPLUS® SUPPORT

Lenovo's award winning Warranty Service and Support optimize productivity and end-user satisfaction by helping you concentrate more on your business objectives.

#### • ThinkPlus Priority Onsite Warranty

Saves time, reduces costs and maximizes productivity, by providing you with faster, 24x7, direct access to advanced-level skilled technicians for hardware and software issues.

#### • ThinkPlus Warranty Onsite NBD Upgrades

Maximizes PC uptime and productivity by providing convenient and fast repair services at your place of business.

#### • Warranty Extensions (1 year to 3 years)

Helps accurately budget for PC expense, protects your investment and lowers the overall TCO with a fixed-term, fixed-cost service solution.

### THINKPLUS PROTECTION

Lenovo's Protection Services help you avoid unbudgeted repair costs, secure your data, save money and achieve peace of mind.

#### • ThinkPad® Protection (TPP)

Provides coverage for unexpected damage, unintentional drops and minor spills, thereby helping you eliminate unplanned repair costs.

#### • Hard Disk Drive Retention

Allows you to retain the hard drive, should it happen to fail, thus helping you protect your valuable data.

VISION Pro Technology from AMD helps improve productivity through business applications that look and perform great, helps reduce maintenance headaches and get the most out of your IT budget.
